

G.I.R.L 2020: Official Hotel Block

GSUSA has partnered with EventSphere as the official housing bureau for their tri-annual meeting in Atlanta. Councils, attendees and exhibitors will be able to request room blocks or book individual rooms through **Passkey**, the housing system used by EventSphere.

Individual Rooms (this feature available in early March 2020)

All individual reservations will be booked based on hotel availability. Please visit <https://book.passkey.com/go/GIRL2020> to book individual reservations and request room blocks, suites, and meeting space.

Group Blocks

On February 18, 2020, all councils will complete a Housing Request Form to ensure rooms are available for their delegations. The group block feature will ONLY be available to councils until all delegations have been assigned.

In early March 2020, other groups needing 10 or more rooms will be able to fill out the Housing Request Form.

Room assignments must be submitted with names and credit card guarantee information on or before **Wednesday, August 19, 2020**. All unassigned rooms in your block will be released for general sale after this date.

Booking in the official housing block is the only way to receive these exclusive benefits:

- Special negotiated rates
 - Greater networking opportunities exist at hotels within the block
 - Reservations within the block are protected from hotel relocation
 - Housing Representatives are available for on-site assistance with official hotels
 - Friendly booking terms: no change fees, no upfront non-refundable payments
-
- **Embassy Suites by Hilton Orlando International Drive Convention Center** | Starting Rate: \$209.00+
 - **Holiday Inn Orlando – Disney Springs Area** | Starting Rate: \$149.00+
 - **Hilton Orlando** | Starting Rate: \$225.00+
 - **Hyatt Regency Orlando** | Starting Rate: \$229.00+

Housing “poachers” pose as our official G.I.R.L. housing company, as well as give the impression of offering lower rates. In very fine print they do not confirm rates until after you've booked, given your credit card and then you are locked in. The only people who should ever charge your credit cards are the hotels. No one else! Any rooms pre-paid in full are likely a scam. For these reasons, we encourage you to book your housing through EventSphere, our official housing provider.
