

## **Camp Store Certificates**

### **How it Works.**

During check-in at Stevens Ranch, there will be a Camp Store station where staff will assist you to create a camp store account for your camper.

Once the camp store account is created, you can deposit funds via credit card payment or cash for your camper to use throughout the week at the Camp Store. Throughout the week, your camper can use the balance of the funds available for Camp Store purchases.

### **When will the camp store be available for my camper?**

The camp store will be open at least twice for campers attending a 6-day camp and at least once for campers attending a 3-day camp.

### **What is available in the Camp Store?**

The Camp Store will have camp souvenirs, snacks, and drinks for purchase.

### **What happens to unused funds?**

Any funds remaining at the end of the camp session will be refunded. For cash refunds, the camp staff will have your refund at pick-up for you. For Credit Card refunds, the card used will be refunded.

### **Can my camper use Cookie Retail Vouchers in the Camp Store?**

YES! If your camper has unused cookie retail vouchers, these can be used in the Camp Store. Just let us know during the account creation process.
