

Troop to Girl / Girl to Troop Transfers

Once you have given cookies to a scout or a scout has returned cookies to you and you have filled out and signed your receipts you need to enter the information into Smart Cookies.

Go to Orders and Transfer Order

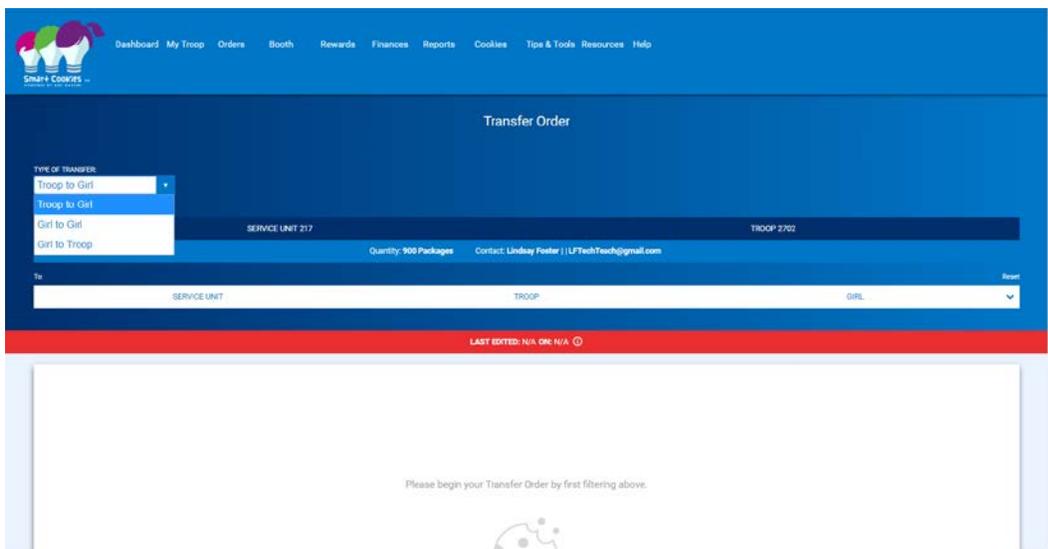

The screenshot shows the 'Troop Dashboard' in the Smart Cookies system. The top navigation bar includes 'Dashboard', 'My Troop', 'Orders', 'Booth', 'Rewards', 'Finances', 'Reports', 'Cookies', 'Tips & Tools', 'Resources', and 'Help'. The 'Orders' menu is open, showing options: 'Manage Orders', 'Troop Initial Order', 'Transfer Order', 'Planned Order', and 'Virtual Cookie Share'. The dashboard features several key metrics:

- Troop Achievement:** A progress bar showing 0% completion of a goal. A '41' badge is visible.
- Troop Package Goal:** A goal of 0 packages, with a '0' current count and a 'Submit' button.
- Financial Summary:**
 - PER GIRL AVERAGE:** This Season: 13.87, Last Season: 643.17.
 - INVENTORY TOTAL ORDERED:** This Season: 3,905, Last Season: 3,801.
 - TOTAL SOLD:** This Season: 41, Last Season: 3,859.
 - TOTAL DOLLAR:** This Season: \$166.00, Last Season: \$15,401.00.
- Important Dates:** A table with columns for 'Action Items', 'Due by', and 'Status'. It lists dates like 'December 8th' and 'March 1st' with status indicators like 'Completed' or 'Not Checked'.

If you are giving cookies to the scout it is a Troop to Girl Transfer.

If the scout is returning cookies to your cupboard it is a Girl to Troop Transfer.

You may also transfer cookies from one scout to another within your troop (for example if you have sisters that need to be balanced out; remember this affects the financials for each girl)

The screenshot shows the 'Transfer Order' form in the Smart Cookies system. The form includes a dropdown menu for 'TYPE OF TRANSFER' with options: 'Troop to Girl', 'Troop to Girl', 'Girl to Girl', and 'Girl to Troop'. Below this, there are fields for 'SERVICE UNIT 217' and 'TROOP 2702'. A contact information line reads 'Quantity: 909 Packages Contact: Lindsay Foster | LPTechTeach@gmail.com'. At the bottom, there are input fields for 'To' (SERVICE UNIT, TROOP, GIRL) and a 'Reset' button. A red banner at the bottom of the form area says 'LAST EDITED: N/A, N/A, N/A'. Below the form, a message reads 'Please begin your Transfer Order by first filtering above.' with a circular arrow icon.

Troop to Girl / Girl to Troop Transfers

Once you select the type of transfer, you must choose who the cookies are being given from and to. If it is From Troop to Girl, the From will automatically fill in with the Troop information and under the To you must select the Girl's name from the drop down menu. The Service Unit and Troop are automatically filled in.

If the transfer is from Girl to Troop, under from you will select the Girl from the drop down list and the the information under To is already filled in with your troop information.

Select Apply.

The screenshot shows the 'Transfer Order' form with the following details:

- TYPE OF TRANSFER:** Troop to Girl
- From:** SERVICE UNIT 217, TROOP 2753, Quantity: 3864 Packages, Contact: Melissa Miller | (817) 256-4836 | melissamiller78@gmail.com
- To:** SERVICE UNIT 217, TROOP 2753, GIRL: Malaysia Miller
- Search Results:** A list of girls is shown, with 'Malaysia Miller' selected.
- Buttons:** 'Apply' and 'LAST EDITED: N/A ON N/A'.

The cookie line-up then populates below. Use the column on the LEFT for "PACKAGES" that are being transferred to the girl for which she will need to turn in money.

(If you want to enter packages sold at a booth for which money was already collected and the family is not financially obligated, you can use the Booth Packages column.)

The screenshot shows the cookie line-up table with the following details:
