

Booth Buyout 2023

**YES! I want to buyout a cookie booth for 2023 during
National Girl Scout Cookie Weekend, March 3-5.**

How a Booth Buyout Works

1. Find a cookie booth near you by visiting the cookie booth finder at **gs-strong.org/cookiefinder** and use the zip code search.
2. Visit Cookie Booth and “buyout” the booth. Cookies should be purchased directly at the booth via cash, check, or credit card.
3. Booth buyouts involve purchasing 10 or more cases of Girl Scout cookies to support the Girl Scouts’ goals and troop activities. (\$600 minimum purchase)
4. If you are unable to make an in-person purchase, you may purchase online directly from a Girl Scout! You can do this by using the Troop Direct Ship Link using the cookie finder link.
5. Don’t want to take your cookies home? Donate them to our Cookies for Heroes program, allowing Girl Scouts to deliver donated cookies to local heroes – first responders, teachers, hospitals, and more.
6. Thank the Girl Scouts for working hard toward their goals and learning valuable business skills.

Take photos at the booth buyout and send to **pr@gs-top.org** for us to share your support of Girl Scouts on social media.

Feel free to also share on your own social media using the hashtag **#GSTOPCookieBuyout23**.
