

Dear Manager,

Did you know the Girl Scout Cookie Program is the largest girl-led business in the world?

It's more than just a fundraiser. It's a fun way for Girl Scouts of all ages to learn valuable skills such as goal setting, money management, and people skills. The Girl Scout Cookie Program is a powerful, hands-on leadership and entrepreneurial program. Last year over 250 businesses in Texas helped Girl Scouts reach their goals by allowing them to set up cookie booths at their locations.

Would you be willing to help support Girl Scouts in your community by allowing them to set up cookie booths?

By doing so, you'll be helping Girl Scouts develop financial literacy skills that will last a lifetime, while also driving customers to your business.

Our cookie program runs from January 12 to March 3, 2024.

Girl Scouts of Texas Oklahoma Plains covers 81 counties in North Texas and the Oklahoma Panhandle. We serve over 700 plus troops in these areas.

We know your time is valuable. If you are willing to allow troops to set up cookie booths, simply complete the Booth Registration form enclosed. We will take care of scheduling troops within your approved dates and times.

Please complete and return the registration form to _____ . We will manually load your information into our system, and it will populate in our National Booth locator.

If any issues arise during the cookie program, you can contact our local Council staff at **800-582-7272** and ask for the Product Program department. We closely monitor any troop issues. If a troop is unable to abide by the Girl Scout Promise and Law, we will pull the troop from future booths.

Thank you,
