

Dear Manager,

Did you know the Girl Scout Cookie Program is the largest girl-led business in the world?

Girls of all ages learn valuable skills such as goal setting, money management, and people skills in a fun, engaging way. The Girl Scout Cookie Program is a powerful, hands-on leadership and entrepreneurial program. Last year, more than 250 businesses in Texas allowed cookie booths at their locations to help Girl Scouts reach their cookie program goals.

Would you be willing to help support girls in your community by allowing them to set up cookie booths?

By doing so, you are helping girls develop financial literacy skills that will last a lifetime, while also driving customers to your business.

Our cookie program runs January 9 – March 1, 2026.

Girl Scouts of Texas Oklahoma Plains covers 81 counties in north and west Texas and the Oklahoma panhandle and serves **more than 8,600 girls in more than 510 troops**.

We know your time is valuable. If you are willing to allow troops to set up cookie booths simply complete the Booth Registration form enclosed. We will take care of scheduling troops within your approved dates and times.

Please complete and return the registration form to _____. We will load your information into our system, and it will populate in our online Cookie Booth Finder.

If any issues arise during the cookie program, you can contact our local Council staff at **800-582-7272** and ask for the Product Program department. We closely monitor any troop issues. If a troop is unable to abide by the Girl Scout Promise and Law, we will pull the troop from future booths.

Thank you,
